— “Think Like God Thinks About You”

Scripture:

“Do not conform to the pattern of this world, but be transformed by the renewing of your mind.” — Romans 12:2

Devotional Thought

God never intended for you to live from fear, insecurity, or the labels others placed on you.

Transformation begins when you **renew your mind** — when you choose God’s truth over your own feelings.

Every time you replace a lie with Scripture, you are:

- Strengthening your identity
- Aligning with God’s voice
- Breaking old patterns
- Stepping into purpose

You become who God says you are when you **think** like God says you are.

Reflection

- What lie has been shaping your identity?
- What truth is God asking you to embrace?
- How will your life shift when you fully believe it?

Prayer

“Lord, renew my mind with Your truth. Help me release every lie, every fear, and every false identity that does not come from You. Teach me to embrace who You say I am and to walk confidently in the identity You have given me. Strengthen my heart, align my thoughts with Your Word, and transform me from the inside out so my life reflects Your purpose and Your glory. Amen.”
